

PACT FOR SKILLS

**Large Scale Partnership for Shipbuilding and
Maritime Technology**

The best of efforts has been made to ensure the accuracy of the information provided below. Some members in this list may not yet be registered in the integrated database of Pact for Skills members, as membership to a partnership under the Pact is constantly changing. The lists of coordinators and members of Large-scale Skills Partnerships are based on information provided by the coordinators of each partnership, for the specific purpose of publishing the basic information of coordinators and members.

Lists of Large-Scale Partnership coordinators and members
